

OFFICE OF THE VILLAGE CLERK

clerksoffice@calumetparkvillage.org

Affidavit of Lead Notification

A permit applicant is required to submit, prior to permit issuance, an affidavit stating that he has provided the owner of the property with copies of EPA informational brochures if the building was constructed before 1978. The web address is <http://www.epa.gov/lead/pubs/leadinfo.htm>. If the owner is the permit applicant, the owner shall sign an affidavit acknowledging the receipt thereof.

If the permit applicant is the **General Contractor**, read and sign the following:

General Contractor Affidavit	
I have provided the property owner with a copy of the brochure "Protect Your Family from Lead in Your Home". This brochure informs them of the potential risk from lead exposure during their construction project.	
Signature of General Contractor	Date
Name (print)	
Address (print)	
City	State Zip

If the permit applicant is the **Owner**, read and sign the following:

Owner Affidavit	
I hereby acknowledge receipt of the brochure, "Protect Your Family from Lead in Your Home". This brochure informs me of the potential risk from lead exposure during the construction project.	
Signature of Owner	Date
Name (print)	
Address (print)	
City	State Zip
